

GEORGE B. ENDRESZL, CPA

George B. Endreszl has more than 30 years of experience as a financial professional. He has extensive experience in the preparation of financial analysis necessary to understand and manage distressed manufacturing businesses. Mr. Endreszl has prepared numerous cash flow models, financial forecasts and other analyses for troubled automotive suppliers. He has also provided litigation support, forensic accounting and expert witness services.

Over his career, Mr. Endreszl has established accounting systems and controls for businesses in a variety of industries and prepared business valuations. Additionally he has managed audit departments and activities and performed as a controller for a \$30 million manufacturing concern as well as a 3,000-unit condominium development.

Earlier in his career he was the Director of Audits for a large, regional transportation authority. He is a Certified Public Accountant (CPA) and has practiced public accounting and provided tax services for several CPA firms, and has provided tax and accounting services on an independent basis for more than 30 years. George has earned the designation of Certified Internal Auditor (CIA) and is an Accredited Business Accountant (ABA).
